Registration

Coastwalk offers well-planned trips that are safe and enjoyable; sometimes circumstances out of our control (e.g., natural causes or trail closures) may cause unanticipated changes in itinerary, including cancellation.

Coastwalks vary in their degrees of difficulty, hiking distances and terrain. Some involve casual walks over easy terrain, some are moderate hikes of 5-10 miles a day, and a few even have a combination of difficulty and terrain in the same day.

Family walks are geared towards the hiking abilities and activity needs of children ages six and over. We welcome children ages nine and over on other Coastwalks, but please remember that they will be expected to walk the same distance as adults. There are no provisions for childcare or transport.

Participants should be in good health and good physical and hiking condition. If you doubt your ability to fully participate and complete a walk on foot, please consult with your doctor and talk with us before registering.

All participants must submit a signed release of liability which will be included in the pre-trip confirmation packet.

Fees

Program fees support the coastal advocacy, education, outreach and stewardship work of Coastwalk. Fees include guided walks and evening programs, most trail shuttle transportation, entrance and camping fees, dinners and beverages, and in the case of our inn-based programs, most meals and double occupancy rooms. Participants are responsible for their own camping gear (tent, sleeping bag, and dishware). Everyone is asked to volunteer and participate in simple camp clean-up.

All minors under 18 years of age must be accompanied by a parent, an adult authorized by a parent, or legal guardian.

To Register

Space in our programs can fill quickly, so we recommend you register early. Register on-line at www.coastwalk.org and save the \$15 registration fee.

Please complete and submit the Coastwalk Registration Form with your payment on-line, by mail or phone. When you register you will be asked to name a primary contact; this person will serve as the contact person for your entire group.

Upon receipt of full payment we will send a confirmation notice to the primary contact in writing or by email. The primary contact you name on the Registration Form will receive pre-trip packets for all registrants. Our local registrars will also contact you separately and offer an itinerary, equipment list, map/directions and other information to help you prepare.

Cancellation and Refund Policy

If you must cancel your registration, your request for a refund must be received by the Coastwalk office in writing or by email at least 30 days prior to the start date of the walk. For cancellation requests received at least 30 days prior, each participant may receive a refund, less any unrecoverable costs (pre-paid program expenses, including contracted lodging, transportation and tours) in addition to a \$50 cancellation fee.

There will be no refund for cancellations made within 30 days of the walk start date.

Coastwalk exercises the right to cancel any program for any reason, in which case full refunds will be issued to each registrant. Every effort will be made to notify registrants in a timely fashion, through the primary contact named on the Registration Form.

Group Rates

Group rates are available for any Coastwalk, with the following provisions: • minimum of 10 participants, must register as a group; • 10% discounted program fee per person; • a 50% non-refundable deposit must be made at the time of registration, final balance due 60 days before the start of the Coastwalk; • group registrations must be made via phone at (800) 550-6854 xt.5

Walk Registration for Coastwalk Volunteers

Coastwalk volunteers are welcome to enroll in a walk program using earned volunteer credits. Please call or email us for a volunteer registration form.
